

GROWN-UPS · PLACE ONE DOT IN EACH ROW

How ready is your family for independent travel?

Answer based on your child's current age and everyday environment. There are no right answers.

Does your child currently travel without an adult?	Often Regular trips independently	Sometimes Short trips or with friends	Not yet Usually with an adult
Would you like them to travel more independently?	Yes They seem ready	Maybe, with support Tools, practice, or community help	Not right now Not a current goal
How safe does your neighborhood feel for children traveling?	Mostly safe Most everyday trips feel manageable	It depends Some places or times feel safe	Not safe enough Important barriers remain

These anonymous dots help Kidova understand the gap between children's current independence, caregivers' goals, and neighborhood conditions.
